

## **A. HANDLE.NET PUBLIC LICENSE AGREEMENT (Ver.2)**

This Handle.Net Public License Agreement (Ver.2) ("License Agreement") is between Corporation for National Research Initiatives ("CNRI"), having an office at 1895 Preston White Drive, Reston, VA 20191-5434, and the Individual or Organization ("Licensee") that has accessed, installed or otherwise used the software owned by CNRI called HANDLE.NET® and its included documentation ("HDL Software") (collectively the "Parties"). Licensee shall be deemed to have entered into, signed and agreed to be bound by the terms and conditions of this License Agreement upon such access, installation or other use.

**1. License:** Subject to the terms and conditions set forth herein, CNRI hereby grants to Licensee a non-exclusive, royalty-free, worldwide license to use, reproduce, distribute, perform and/or display publicly, and prepare derivative works based on the HDL Software, and to authorize others to do so, in source or binary form. CNRI and Licensee acknowledge and agree that the HDL Software has not been especially made or especially adapted to use in combination with any particular software or product. Accordingly, CNRI shall have no liability for or in connection with Licensee's use of the HDL Software in any such combination.

**2. Conditions of License:** Any exercise of the rights granted herein is subject to the following requirements:

a. The HDL Software made available by CNRI to Licensee hereunder, and any software or other work that is based on or incorporates all or any part of the HDL Software, whether retained by Licensee, or made available to others, shall include CNRI's copyright notice and this **Handle.Net Public License Agreement (Ver.2)** in the HDL Software itself at LICENSE.txt or in any derivative version thereof prepared by Licensee. The grant of these rights is further conditioned on Licensee's agreement to require every sub-licensee or other person or entity ("Other Party") authorized to exercise any of the rights granted herein to include CNRI's copyright notice and this License Agreement in similar fashion in any version of the HDL Software, modified or unmodified, that is used, reproduced, distributed, performed and/or displayed publicly, or adapted by such Other Party or by any licensee of such Other Party.

b. Licensee hereby acknowledges that CNRI has included specific third-party software with the HDL Software ("third-party software"). Licensee hereby acknowledges and agrees that this License Agreement conveys no right, title or interest to Licensee by CNRI in any such third-party software and that it is Licensee's sole obligation to comply with all conditions of the licenses covering use of such third-party software. A list of the third-party software license agreements is included in the HDL Software at LICENSE.txt and should be retained therein when the HDL Software is used alone, or in any derivative version prepared by Licensee.

c. Licensee may not exercise any of the rights granted herein for or in connection with the establishment or operation by Licensee alone, or in cooperation with any other person, of a system of identifier and/or resolution services that disrupts the integrity of the Handle.Net Registry or the Global Handle Registry ("GHR") in any manner.

d. In the event that Licensee alone, or in cooperation with any other party, wishes to provide identifier and/or resolution services that use or are based on the HDL

Software ("Services"), and, unless otherwise agreed to in writing between the Parties, then as a material condition of this License Agreement, Licensee must enter into and maintain in effect a Service Agreement with CNRI for authorization to provide such Services and be allotted a prefix for this purpose. Licensee should visit CNRI's Handle.Net Registry website at: <http://handle.net> for information on how to enter into a Service Agreement and obtain a prefix. Alternatively, Licensee may enter into a service agreement and obtain a prefix from an organization other than CNRI that has been authorized and credentialed by the DONA Foundation to provide GHR Services; and information on such organizations is available at the DONA Foundation website at: <https://dona.net/mpas>.

e. If Licensee institutes litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the HDL Software infringes Licensee's proprietary rights, then this License Agreement and any license granted hereunder, shall automatically terminate as of the date such litigation is filed.

**3. Updates to HDL Software:** CNRI, at its sole discretion, may provide updates to the HDL Software, and CNRI will post any such updates at: <http://handle.net>. With respect to such updates to the HDL Software, it is Licensee's sole responsibility to install such updates promptly.

**4. Trademarks:** Handle.Net, Hdl.Net, HDL and CNRI are trademarks of CNRI; and Global Handle Registry, GHR, Handle System and DONA are trademarks of the DONA Foundation ("Trademarks"). The Trademarks may not be used in a trademark sense or to endorse or promote any software, services or products of Licensee, or any third party.

**5. Disclaimer of Warranties:** CNRI IS PROVIDING THE HDL SOFTWARE ON AN "AS IS" BASIS. CNRI EXPRESSLY DISCLAIMS AND EXCLUDES ALL WARRANTIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, OF SATISFACTORY QUALITY, OR OF FITNESS FOR A PARTICULAR PURPOSE OR USE. CNRI MAKES NO REPRESENTATION AND DISCLAIMS ANY WARRANTY THAT THE HDL SOFTWARE, AND ANY MODIFICATIONS OR ENHANCEMENTS THEREOF OR DERIVATIVE WORKS BASED THEREON, WILL NOT INFRINGE ANY PATENT, COPYRIGHT, TRADEMARK, TRADE SECRET OR OTHER PROPRIETARY RIGHT.

**6. Limitation on Liability:** CNRI WILL NOT BE LIABLE TO LICENSEE OR THIRD PARTIES FOR DIRECT, INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY CHARACTER INCLUDING, WITHOUT LIMITATION, PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES, LOSS OF USER DATA OR PROFITS, OR BUSINESS INTERRUPTION, HOWEVER CAUSED AND ON ANY THEORY OF CONTRACT, WARRANTY, TORT (INCLUDING BUT NOT LIMITED TO NEGLIGENCE AND INFRINGEMENT OR MISAPPROPRIATION OF INTELLECTUAL PROPERTY RIGHTS), PRODUCT LIABILITY OR OTHERWISE, BASED ON OR ARISING IN ANY WAY OUT OF THE PERFORMANCE OF THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS HANDLE.NET PUBLIC LICENSE AGREEMENT (Ver.2), EVEN IF CNRI IS ADVISED OR IS OTHERWISE AWARE OF THE POSSIBILITY OF SUCH DAMAGES.

**7. License Agreement Versions:** CNRI may publish revised and/or new versions of the Handle.Net Public License Agreement from time to time. Each version will be given a

distinguishing version number. Once HDL Software has been made available under a particular version, Licensee may continue to use it under the terms of that version. No one other than CNRI has the right to modify the terms of the License Agreement.

**8. Export Restrictions:** The HDL Software provided to Licensee under this License Agreement, and any updates to the HDL Software, may be subject to export or import laws and/or regulations in the United States and in other countries. Licensee agrees to comply with such laws and regulations and shall be responsible for obtaining any and all required export and import documentation.

**9. Termination:** This License Agreement may be terminated, at CNRI's sole discretion, upon a material breach of its terms and conditions by Licensee.

**10. General:** To the extent United States Federal law is not applicable, this License Agreement shall be governed by and interpreted in all respects in accordance with the law of the Commonwealth of Virginia, excluding Virginia conflict of law provisions, and the courts within such State shall be the only courts of competent jurisdiction. Nothing in this License Agreement shall be deemed to create any relationship of agency, partnership, or joint venture between CNRI and Licensee.
